

If I were a rock star

If I were a rock star, I would play in a band. I don't know what exactly what our name would be but I am sure it would sound awesome. If I started a band, we'd be equal and we wouldn't have a singer who would always want to be the leader. If we became popular, we would be invited to a lot of parties. If the public heard the band playing, they would go crazy. If I had enough money, I would buy a great guitar. Maybe we could make a living out of it if we had enough concerts. When I was little, I used to play rock solos on a cooking pan and I absolutely rocked it. I don't know, maybe I will be rock star someday.
